## Organization Overview Balance

Balance			
TOTAL BALANCE	TOTAL PAST DUE	OLDEST INVOICE	# OF INVOICES
\$3,003.00	\$3,003.00	03-24-2017	4

This is simply the quick view of the organization's current account status. It is a reflection of the items that currently exist in **our** system (your records may differ if a synchronization has not been recently run). **NOTE** that the balance does not factor in credits and unapplied payments.

### "Total Balance"

- Consists of all open invoices added together. Unapplied credits do **NOT** factor into this total.

### "Total Past Due"

- Calculated by adding up open invoices past their technical due date.

### "Oldest Invoice"

- The invoice with the oldest date of creation from your accounting integration.

### # Of Invoices

- The number of invoices with a current outstanding balance from your accounting integration.
