The general settings drop-down in the left-hand menu is where you can customize how your portal looks and feels. You can customize your branding colors and logos, set up the scrolling cards that organization's see in their portal, add or edit basic information about your company that is used in various locations where ConnectBooster renders data into viewable documents or emails, and update the available widgets found on your overview page.

On this page you may:

- Update company [Basic Information](#)
- Modify the portal [Branding](#)
- Create promotional [Ad Cards](#).
 - [Ad Card Best Practices & Examples](#)
- [Overview Layout](#)
