Getting Paid by your clients just got a whole lot easier!

This long awaited and exciting feature is finally here! “**Pay Now**” enables the ability for your clients to pay invoices online, anytime 24/7 *without requiring login* to your ConnectBooster portal.

This feature is rolled out to every ConnectBooster client **NOW!!**

Two ways our customers can take advantage of this awesome new feature today include:

- “Pay Invoice” buttons
 - These can be automatically inserted on invoice delivery, “Account Summary” and “Past Due” email notifications.

- End Clients can also directly navigate to the new “Pay Now” URL endpoint
 - Ex. <https://yourprefix.connectboosterportal.com/PAYNOW>
 - For easy exposure, a hyperlink can be put on their business website to "Pay Bills Online"!!

How to Enable “Pay Now”:

Navigate to Settings → Configurations → Billing → Pay Now Settings
